WORK EXPERIENCE

Techbridge, Center for AI Learning   **Atlanta, GA**
Student Data Analyst   Jan 2025 – Present
- Conducted data analytics by tackling food demand issues presented by Techbridge, a nonprofit organization that focuses on using technology for social impact and hunger relief
- Utilized data analysis and statistical modeling to predict food demand at the local level by category (vegetables, meat, beverages) and quantity using historical data, supporting inventory planning and supply allocation decisions

Emory College of Arts and Sciences, IT Business Operations   **Atlanta, GA**
IT Technician   Sep 2024 – Present
- Managed hardware setups, handle software imaging and deployment, and support robotics operations, ensuring minimal operational downtime
- Tracked and managed IT inventory and surplus equipment using Excel, improving asset utilization and supporting operational efficiency

LeMoyne Arts   **Tallahassee, FL**
Exhibit Coordinator   Aug 2022 – May 2023
- Organized art exhibitions weekly, supervising logistical operations such as scheduling, space allocation, and display setup, managed budgets of $10k and resources for exhibit projects

LEADERSHIP & COMMUNITY INVOLVEMENT

Emory Impact Investing Group (EIIG), *Director of Technical Research*   Jan 2026 – Present
- Led technical support for 10+ research teams, holding "technical office hours" to help with excel regression models, debug Python and SQL workflow, and refine Tableau and Power BI dashboards
- Graded teams' quantitative deliverables, ensuring that the data collection, regression analysis, and final visualizations meet professional standards for the final research paper

Blockchain at Emory (BAE), *Research & Investment Analyst*   Sep 2025 – Present
- Researched how legal frameworks and crypto infrastructure shape cross-border digital asset transfers
- Conducted both qualitative and quantitative analysis developing industry reports and investment pitch

Residence Hall Association (RHA), *Sustainability Chair*   Aug 2025 – Present
- Led sustainability initiatives within residence halls, promoting energy efficiency and waste reduction
- Coordinated educational campaigns and collaborate with campus facilities to implement recycling drives
